THE ONLY FIREPLACE INSERT
FEATURING CUTTING-EDGE,
HOLOGRAPHIC FLAME TECHNOLOGY

Revolutionize your outdated fireplace with the new 31" DaVinci GreenSmart™ Electric Fireplace Insert — a zero-emission solution that transforms inefficient masonry or gas units into a clean, eco-friendly centerpiece.

TRANSFORM YOUR EXISTING FIREPLACE
IN ONE DAY.

Upgrade your home effortlessly with no venting, gas lines, or chimneys required — just plug in for efficient zone heating, modern design, and year-round ambiance that's completely smoke- and emissions-free.

Choose from two standard panel options, or fit your uniquely sized or shaped fireplace with custom panels. For a sleek, seamless appearance, add the optional hardwiring kit to eliminate visible cords, and enhance your space with the stylish ambient lighting kit for the perfect mood and room styling.
